Photography
Computers
Mass Disaster
Radiology

Program Notes

The PRACTICUM will be conducted at the Miami Dade Medical Examiner Department located at 1851 N.W. 10th Avenue (Number One Bob Hope Road) in Miami, Florida. All sessions begin at 8 A.M. and conclude by 6 P.M. each day. Registration fee is \$825 which includes continental breakfast, lunch every day, and dinner Thursday evening (guest tickets are available @ \$35 each). A course manual and Manual on Forensic Odontology, 3rd Edition will also be included.

Bring your own computer and camera. Computer discs of WINID and film will be provided.

Who should attend

This PRACTICUM is an advanced course in forensic odontology which is open to all dental and medical professionals as well as members of the legal profession. Because this is a hands on course with close participation between faculty and registrants the registration is limited. The closing date is November 14, 2005.

Accreditation

This PRACTICUM consists of 24 hours of continuing education credits. A Certificate of Training will be presented to each participant upon completion of the course.

Lodging and transportation

Lodging during the PRACTICUM is the responsibility of the registrant. Meals are provided during the seminar and transportation will be provided to the Medical Examiner facility daily from the Airport Marriott Hotel complex at no charge. The Airport Marriott Hotel is convenient to the airport and provides free transportation from the airport. Special rates for this seminar will be available upon receipt of your registration form.

Make check payable to **Board of County Commissioners** and send to:

Marie Alexander, Miami-Dade County Medical Examiner Dept., Number 1 on Bob Hope Road, Miami, FL 33136-1133

For further information, contact Marie Alexander, Program coordinator, malex@miamidadade.gov or 305-547-5721. In compliance with the requirement of the Americans with Disabilities Act, assistance is provided upon request in advance to persons with disabilities. In the event of cancellation for any reason the Board of County Commissioners will not be responsible for any costs incurred by registrants in anticipation of this meeting.

The cutting edge in Miami

The Miami-Dade Medical Examiner Office has it all in a unique "hands-on" learning experience with real time autopsy material.

- Mock trial in the Courtroom
- Use WIN ID, enter NCIC
- Review mass disasters
 - Valujet
 - World Trade Center
- Be at the autopsy table
- Suit up for jaw resection
- Second opinion presentation
- Process bitemarks from DNA to excision

The number of participants is limited

so there will be many opportunities for interaction between participants and faculty. Bring your own difficult cases for forensic consultation. Bring your own camera for hands-on training in photographic techniques.

You will be supplied with computer discs containing the latest WIN ID program for use on your own computer. Participants will be instructed and guided by a cadre of well known consultants and experts in the field of forensic odontology, odontoglyphics, digital imaging, photography, jurisprudence, mass disaster and computers.

Delivering Excellence Every Day
